## 1. INTRODUCTION

- 1.1 The image of a sport and its reputation for both athletes and the public are best represented by the quality of the organisation of the major events. Consequently, each Organiser seeking to stage a dancesport championships (Standard, Latin-American, Breaking) must be aware and fully informed of the demands and expectations made on it by the SGDF at the time of organising.
- 1.2 Endorsements are a popular means of advertisement; this is either a spoken or written statement that endorses the use of a product. It's common for sports bodies to seek endorsement to market their own sport, though there is plenty of benefit for the athlete as well.

## 2. COMPETITION RULES

- 2.1 The WDSF Competition Rules apply to all dancesport competitions granted to and organised under the responsibility of an organiser, including but not limited to competitions in Standard, Latin-American, Artistic Dance, Caribbean Dances, Folkloric Dances, Performing Art Dances, Smooth Dance, Urban Dances, Disco Dance. Rules for Rock 'n' Roll and a number of other dance styles/forms are administered by the WDSF Associate Members, the World Rock'n Roll Confederation (**WRRC**), and by the International Paralympic Committee (**IPC**) for Para DanceSport.
- 2.2 For a complete list of Competition Rules, please refer to this link - <https://www.worlddancesport.org/Rule/Organizer/Competitions>

## 3. CHANGES TO THE POLICY

- 3.1 Singapore Dancesport Federation is committed to ensuring all policies are up-to-date and reflect current practices.
- 3.2 Changes to this policy may be submitted by SGDF Board for review and approval. Once a change has been approved, the policy will be updated and posted on the SGDF website.
- 3.3 In the event of any question or matter arising out of any point which is not expressly provided for in the rules, the Committee shall have power to use their own discretion.
